

Health Insurance Enrollment Event for COFA Citizens

What is Premium Assistance?

COFA citizens are now eligible for a program to help them afford health insurance! Under this program you choose a plan from a health insurance company and the program will pay all of the monthly premiums and most out-of-pocket costs.

Enrollment Process

- COFA adults will first need to sign up for free emergency services through OHP, then enroll in a health insurance plan through [Healthcare.gov](https://www.healthcare.gov). After we help you enroll in health insurance, sign up for premium assistance.
- Most COFA adults must apply between **November 1st** and **January 31st** or within two months of life changes such as losing health insurance.
- You must enroll in a program-approved Silver level plan with tax credits to qualify for premium assistance and cannot be qualified for insurance through OHP or your employer. Children and pregnant women may qualify for free health insurance through OHP.
- More information about Oregon's new premium assistance program and a list of approved insurance plans is available at [oregonhealthcare.gov/COFA](https://www.oregonhealthcare.gov/COFA)
