

# Sign up, renew, or change health plans at **HealthCare.gov**

**Health insurance lowers your costs if you get care outside of your Tribal or Urban Indian Clinic. Your care may even be free.**

## **Oregon Health Plan**

The Oregon Health Plan (OHP) is free health coverage offered by the State of Oregon. The best way to find out if you can have OHP is to apply at OHP.Oregon.gov or call 800-699-9075 (toll free).

If you are already enrolled in OHP, you will get a letter telling you when and how to renew.

## **Private insurance**

Visit HealthCare.gov to find private insurance and see if you qualify for help paying for it. The insurance plans on HealthCare.gov:

- Are mainly for people who do not qualify for the Oregon Health Plan and do not get insurance through a job or Medicare
- Can be used at Tribal and Urban Indian Clinics, or with a network of other providers
- Cover office visits, hospital stays, medications, and other services

## **Brought to you by the State of Oregon**

The Oregon Health Insurance Marketplace is a part of state government, and helps people get covered through HealthCare.gov.

## **Get free local help**

- Visit your local Tribal organization or clinic
- Call the Oregon Health Insurance Marketplace at 855-268-3767 (toll-free) between 8 a.m. and 5 p.m. Monday through Friday.

**Thank you to Oregon's Tribal communities for their collaboration creating this brochure.**

# Health Insurance for Enrolled Members of Federally Recognized Tribes

**All year, you can buy a private insurance plan that covers care you get at your Tribal clinic, or care from other providers.**

If you qualify, financial assistance lowers the cost of your plan and allows you to pay nothing when you get care from your Tribal clinic, or from another provider (some plans require referrals from your Tribal clinic).

Ask for more information at your Tribal clinic, or call the Oregon Health Insurance Marketplace at **855-268-3767**.

# Benefits for enrolled members of federally recognized Tribes

Members of federally recognized Tribes and Alaska Native Claims Settlement Act (ANCSA) Corporation stakeholders may qualify for the following benefits:

- **You can get care at a Tribal clinic or another provider**

If you usually go to a Tribal, Indian Health Service, or urban Indian clinic (ITU), you can continue that care when you get a HealthCare.gov plan. No matter your income, you will pay nothing to use ITU providers.

- **You can sign up at any time**

You can enroll in a plan through HealthCare.gov in any month. You do not have to wait for open enrollment, which is Nov. 1 to Dec. 15. You also can switch plans at any time, without waiting for open enrollment.

## Financial help

Your premium is the amount you pay each month to have health insurance. Out-of-pocket costs are what you pay when you get care. You may qualify for help paying your premium, and your out-of-pocket costs may be nothing.

Anyone, even if they are not a member of a Tribe, may qualify for help paying their premium.

Enrolled members of federally recognized Tribes may qualify for plans that offer **free care from other providers**, or for plans that allow you to **pay nothing when your Tribal clinic refers you to another provider**. These benefits are in addition to help paying your premium.

**Below the income shown to the right?**

You may qualify for a plan that allows you to pay nothing when you get care.

**Above the income shown to the right?**

You may qualify for a plan that allows you to pay nothing when your Tribal clinic refers you to another provider.
