## Attention COFA citizen

Don't forget your health plan will end Dec. 31, 2018.

You must enroll in a new plan by Dec. 15, 2018, to have coverage beginning Jan. 1, 2019.

You must apply again to the COFA Premium Assistance Program for help paying your 2019 health coverage.

Come to an enrollment event, call your agent, or call Jackie Leung 626-848-8619 to get help enrolling for the new coverage year.

Call the COFA Premium Assistance Program at 1-855-268-3767 (toll-free) for more information. A list of enrollment events can be found on our website <https://bit.ly/2vRzSOv>. Scroll down the page for Enrollment event list.

If you received premium tax credits in 2016 or 2017 and did not file taxes, the federal government may not give you any more help to lower the costs of your health insurance. If this happens, you cannot qualify for the COFA Premium Assistance Program either. If you did get premium tax credits in 2016 or 2017, make sure you have filed taxes for those years. If you need a copy of your 1095-A tax form to finish your taxes, contact [HealthCare.gov](http://HealthCare.gov) at 800-318-2596 to ask for a copy. You can file for free at [IRS.gov](http://IRS.gov), <https://bit.ly/2E7Bx4l>, or contact a tax professional for help filing a tax return.
