*Your residence and car do not count as assets. Must meet both the income and asset limits to qualify. Medicaid is a state program that helps to pay for Medicare Part B premiums. Resources are evaluated differently. Contact your Aging Services/SPD local branch with questions and to apply. Oregon state Medicaid resource limits allow for an additional \$1,500 per person for burial expenses. However, the \$1,500 must be in a separate, dedicated account.

¹ Income limits for LIS are effective February 2018, MSP effective March 2018.

² QMB/SMB/SMF resource limits eliminated as of 1/1/16.

³ Each case must be evaluated by the Medicaid branch to calculate eligibility.
