

# Need health coverage?

## Don't wait! Enroll as soon as possible.

### When can I enroll?

You can enroll in health coverage through the Marketplace any time from 60-days before your Oregon Health Plan benefits end through July 31, 2024.

### CAUTION!

If you enroll in Marketplace health coverage in October or November, you will be enrolling only for the current year. You must enroll through the Marketplace a second time for the next year between Nov. 1 and Jan. 15.

### What if I do not enroll right away?

Enroll as soon as possible to avoid being uninsured. Your coverage will begin the first of the month after you enroll. Marketplace health coverage cannot cover you retroactively if something happens.
